Dear Harold:

Congratulations on your company's 25th anniversary. We here at National City are proud of the fact that we have been a financial partner with you for most if not all of your company's existence.

Bob McKee has shared with me some of the well earned press you've received from the Michigan Chapter of the Associated General Contractors of America. You've built a fine company over the years as evidenced by the very good financial performance as well as the many satisfied and repeat customers you serve.

Congratulations again, and National City is looking forward to being your financial partner for the next 25 years.

Sincerely,

Steve Alexander
Regional President

Sincerely,

Timothy A. Salisbury
