Re: Lansing Convention Center

Dear Harold Moore:

It was a pleasure working with your company on the renovations to the Lansing Convention Center. Your staff of professionals, Jerry Carter, Mark Adair and Jenny Reum, handled the project in a very professional manner.

Mark Adair, your site superintendent, was especially on top of the project. He was very proactive and looked out for the best interest of the owner in all aspects; paying particular detail to proper flashing detail at the intersection of the roof to the walls. He also was on top of the subcontractors' performance of their work.

I am looking forward to working on future projects with your company.

Sincerely,
C2AE
