January 15th 2009

We had engaged Moore Trosper Construction Company to complete our temple completion project in October of 2007. Moore Trosper were appointed the general contractor for the entire project. Harold Moore had worked with our board of trustees and the construction committee to carefully plan each phase to optimize cost with focus on quality.

During the construction project, Harold and his staff were always on ready to meet to address any issues and followed-up with detailed paperwork. The project was completed in August 2008 followed by an Occupancy permit by Meridian Township in early November 2008.

The Board of trustees were pleased with the quality of work, detailed paper work and responsiveness of Harold Moore and his staff. He is an excellent business person and a partner of our temple for this project. Please feel free to contact me with any questions.

Regards,

Yours Truly

Rajiv R Das
