Dear Mr. Moore,

On behalf of Jackson National Life Insurance Company I would like to commend you and your team for the outstanding work you performed on our project, Jackson Development Zone.

From the onset we knew that this project was going to be as intense as any we had worked on in our careers which is why we chose Moore Trosper Construction Company to perform the work. Your dedication and drive to push any project you have worked on with us is exactly what we like to see in a contractor. You have proven, once again, that when called upon your company will pull through and provide us with top notch management as well as construction services.

We look forward to working with Moore Trosper Construction Company again.

Sincerely,
