To Whom It May Concern,

I am pleased to write a letter of recommendation for Moore Trosper and their owner's representative services. We started a \$25 million bond project at DeWitt Public Schools in 2016 without an owner's representative. When we ran into some issues with our construction management company a year or so into the project, we brought in Moore Trosper to help specifically with budget oversight. Our goal was to lift some of the burden from our finance director.

I found Theron Moore and his team to be very responsive to our needs. They were quick to return calls and answer questions as they arise. I was pleased that they were willing to work with us outside the box and form an agreement that was very specific to our situation. Their team is highly trustworthy and reliable. While we used their services for just portion of our project, I would feel comfortable with a wider scope as well.

Moore Trosper has a great reputation in the Lansing area and I have been pleased to work with them.

Sincerely,

John Deiter, Ph.D.  
Superintendent, DeWitt Public Schools
