Dear Richard,

Thanks so much for the music notes that you designed as a gift to the Community Music School! What a wonderful and thoughtful surprise and one that the staff and I are so delighted to have received from you.

I really want to thank you for the tremendous job that you and your crew from Moore Trosper have done to get our new Community Music School transformed and ready for the start of classes. Our students, staff, faculty and parents are absolutely delighted with their new home!

It has been a total joy to work on this project with you, Jeff, Chris and Derek. Honestly, I'm sorry that it is coming to a close!

Thanks so much for everything.

Most sincerely,

Rhonda Buckley
Executive Director
