

# Manchester Community Schools

Bradley J. Bezeau, Ph.D.  
Superintendent  
Manchester Community Schools

---

June 27, 2025

To Whom It May Concern,

My name is Dr. Brad Bezeau, and I am currently serving the students and families of the Manchester Community Schools in Manchester, Michigan as Superintendent of Schools. The following letter of recommendation is for the Construction Management Team and Services from the Moore Trosper Construction Company from Holt, Michigan, an exceptional construction management and educational construction project provider who demonstrate remarkable collaboration, innovation, and commitment to student success across multiple critical roles in K-12 education in guiding and managing the bond project construction process. I have known Ted Moore, Heather Place, and the entire Moore Trosper team during the last four years during their service to the students, staff, and community in Manchester.

Moore Trosper is not just a construction management company, they are family. The care and friendship that they developed with our Manchester Community Schools Team is unparalleled. There are many construction companies to choose from in the educational bond project space, but the individual and focused attention that we have received from the Moore Trosper team sets them apart. Many districts are treated as just one more school and project, but the Moore Trosper team ALWAYS went above and beyond to make our small district feel special and valued. They have been a critical piece in the successful development and implementation of a \$64 million bond project that is revolutionizing our schools in Manchester.

It is without hesitation that I offer this recommendation with the highest level of confidence and enthusiasm. The Moore Trosper Construction Company represents the best of educational leadership: strategic, compassionate, and deeply committed to student success.

Please let me know if you have any questions regarding this letter of support.

Dr. Bradley J. Bezeau

Superintendent, Manchester Community Schools
