Re: Moore Trosper Construction Company

To Whom It May Concern:

We are pleased to share our experience with Moore Trosper Construction Company and Ted Moore.

Moore Trosper Construction Company has been part of several of our major construction projects including, FireKeepers Casino, the subsequent expansion for the Hotel, Event Center and Bingo Hall, and the demolition and reconstruction of the Kabaret Lounge. They have been involved with our Cultural Committee assisting with the development and construction of our Pow Wow grounds, Public Works building, Government Center and Health Center renovations at our Reservation. In addition to these, they also assisted Skaské Power with concrete foundations and tracker systems for solar panels installed at both the Casino and the Reservation.

The Nottawaseppi Band of the Huron Potawatomi Indians is pleased with the quality of work, attention to detail, and the responsiveness of the entire Moore Trosper construction team. They have also done an excellent job in employing and training our Tribal members through the course of these projects.

On behalf of the Tribal Council, we would recommend any of Moore Trosper Construction Company's services and look forward to working with them on future endeavors.

Migwéché,

Homer A. Mandoka

Tribal Council Chairperson
